

The Arizona Coalition to End Homelessness seeks an Executive Director. To view the full job description or apply, visit <http://www.azceh.org/Home.html>

Major Functions/Job Purpose:

The Executive Director is responsible for the successful leadership and management of the Arizona Coalition to End Homelessness ("the Coalition") to achieve its mission, "To serve as a leader in the efforts to end homelessness in Arizona through advocacy, education and coordination within local communities." The Executive Director achieves this mission by implementing the Coalition's key strategies of: 1) advocacy and organizing; 2) providing education and training to the community on homeless issues; and 3) developing the Coalition's infrastructure. The Executive Director recommends and participates in formulation of policies and makes decisions within existing policies as approved by the Board of Directors; plans, organizes, directs, and effectively communicates the programs and activities of the Coalition; and is responsible for the day to day operation and growth of the Coalition.
